

## INTRODUCTION

Holy Cross International College is an International Anglo Saxon styled co educational boarding school located on the outskirts of Yaounde. It provides an ideal environment for the balanced formation of emerging young Cameroonians.

## VISION

Our motor translates our vision Education for Life And Leadership "Non Scolae Sed Vitae Discimus" Not for school but for life do we learn. By means of a board based and skill oriented Anglo Saxon education, HCIC targets the intellectual, moral and social development of students in view of their integration into society and professional life. Every aspect of school life is inspired by sound Christian values and is carefully designed to lead to the acquisition of the virtues required for a balanced personality. HCIC aims at attaining academic excellence, moral rectitude and balanced personality. of its students through assiduity, discipline and responsibility. The college combines traditional values as a foundation of success in classical education and propagates to inspire in its students a reading culture that will broaden their minds and prepare them for active citizenship.

## CURRICULUM

We provide a comprehensive academic package comprising science, arts and other specialized programmes. The school follow syllabuses from the Cameroon Ministry of Secondary Education, which lead to the G.C.E Ordinary and Advanced Levels Certificates. International examinations like IGCSE and LCCI, may also be offered. The school also prepares its students to enter American, Canadian, and other Anglo Saxon Universities. Arts, music, sports and drama also encouraged and sponsored in special programmes. Specialized clubs for these activities help students attain the optimum of their talents. Our students learn foreign languages such as Spanish, and Latin to enable them communicate widely. Orientation towards professionalism is what we try to do at HCIC.

## FACILITIES

Students of Holy Cross international College enjoy facilities such as campus boarding with supervision, Spacious Classrooms, Limited intake, modern library, refectory, and kitchen with delicious and well planned meals. House keeping facilities, sick bay, play in well designed sports Arenas, and an IT laboratory. The school is co educational, training both boys and girls into responsible adulthood. A good number of staff members live on campus to ensure close monitoring of the students and ensure the necessary parental guidance for a

balanced upbringing. Consultation is assured by a competent practitioner who makes the necessary Health related decisions.

## HEALTH

The school operates medical facilities monitored by a trained nurse who runs the infirmary. There is also a school doctor who attends to major health issues. Students with peculiar health problems such as Asthma pneumonia sickle cell etc, must inform the school administration of their condition.

## SOCIAL LIFE

Socializing is an integral part of youth formation which cannot be neglected. Students are encouraged to socialize through dancing, singing, debates, quizzes and drama. This also enhances their solidarity, build their talents as well as their self esteem.

## SPIRITUAL LIFE

The students begin and end each day with prayers. They have the opportunity to attend mass regularly.

## WHY CHOOSE HCIC ?

- Our environment is home friendly, spacious, beautiful and suitable for both teaching and learning
- Our limited class capacity (max 30 per class) fosters a close student-teacher relationship thus giving the teacher the opportunity to closely monitor each student since every child is on "the front row"
- Our students learn Spanish and Latin as additional languages to help them communicate on a wider scope.
- There are weekly and monthly evaluations to, keep both students and teachers abreast with performance and measure progress. Our students even get to evaluate their teachers.
- Personal talents are identified and promoted especially in areas of poetry, drama, sports, music and public speaking.
- Our students enjoy the advantages of living in a multicultural environment and learning new cultures since we have students from six Nationalities all living on campus and sharing values. Some smart kids even get to learn other languages from their friends.

Our very large campus allows enough space for recreation, and further infrastructural development.

Come next year HCIC parents would have to worry about less since the school fees will cover ALL YOUR EXPENSES.

**HCIC EST LE CADRE DE REVE** pour les parents désireux d'offrir à leurs enfants une éducation Anglo-Saxonne solide faisant la promotion des valeurs académiques, de rectitude morale et d'équilibre psychologique.
